 The STS is marked with orange rectangular blazes

SCALE 1 INCH = 0.5 MILES

CONTOUR INTERVAL = 20 FEET

**SUSQUEHANNOCK STATE FOREST
BILLY LEWIS BIKE/CROSS-COUNTRY SKI TRAIL**

This trail begins at the Forest District Office on US Route 6. The trail is well marked with blue diamond-shaped blazes and numbered key reference points. The section south of Patterson State Park is marked with rectangular blue blazes. The main trail runs from the District Office on Denton Hill to Cherry Springs State Park on Route 44. The trail length is approximately 14 miles. This trail covers a variety of terrain types, so users should keep their endurance and ability levels in mind. The trail crosses the Susquehannock Trail (STS) in several places. The STS, marked with orange blazes, is open to skiing only, bicycles are not permitted. A section of the trail south of Sunken Branch Rd is shared with the ATV/Snowmobile Trail. Please use caution.

There is a loop trail located off the main trail at reference point 6, near Patterson Park. It is labeled as the Sidewinder Trail on the map.

Enjoy the safe use of Pennsylvania State Forests and please be courteous to other forest users. If you have comments or suggestions for improving the trails, please let us know by writing or calling our office at:
