

## Snowmobiling Opportunities on DCNR, State Forest Lands 2015-16 Winter Riding Season

Opportunities to ride snowmobiles on DCNR State Forest and State Park lands total **2,889** miles of open roads and trails statewide for this winter. This is a **9** mile decrease from the total mileage available for the 2014-2015 riding season. Joint-use roads make up **1,856** miles while trails and gated roads make up **1,033** miles of those total miles. There are **157** miles of joint-use road and **12** miles of trail that will be closed this season. Additional snowmobile trails have been created and added to the trail system to make up for the impacted roads and trails.

For up to date snowmobile information, maps and trail conditions please visit:

<http://www.dcnr.state.pa.us/forestry/recreation/snowmobile/index.htm>
